## THE LONGEST PIZZA IN LONDON - SINCE 1993

At Pizza Metro Pizza we honour the best London pizzeria welcoming three generations of London families over the last 30 years.

Seeing our regular customers return with their extended families through the years is a great source of pride.

Our menu is inspired by traditional Neapolitan cuisine with some of Diego's signature pizzas.

Over 30 years we have strived to set the standard for Italian pizza in London.

Pizza Metro Pizza reflects the journey that authentic pizza has taken in London from traditional Neapolitan to contemporary style.

Our dough is made fresh daily and matured for a minimum of 72 hours with particular emphasis to the lightness and easy digestibility.

All of our dishes are crafted on-site using top quality ingredients including Italian tomatoes, mozzarella and meats.

Buon Appetito, Diego
